ELECTRONIC ALARMS

E-NEXUS 500

602820M

Evolution of "E-POWER" adapted to the electronic system of Nexus 500. Including two button remote control and electronic key. Comes with specific cable.

E-POWER

602687M

Dedicated electronic alarm for scooters equipped with pre-installation. Alarm comes with electronic key and two button remote control. The electronic system of the scooters with pre-installation have a special connector which allows to install the alarm easily thanks to a plug & play connection. Specific cable included. "E-POWER" can be installed on the following vehicles: MP3 125/250/400, X-Evo 125/250/400, X7 Evo 125/300, Carnaby Cruiser, Beverly Cruiser 250/500, Beverly Tourer 125/300/400, Fuoco, GP 800, Nexus 300.

E-POWER VESPA

602780M

The evolution of the "E-POWER" model allows to connect the alarm easily with vehicles. Comes with specific cable. For Vespa GTS Super, GTS, GTV.

E-LUX

602688M

Universal electronic alarm with electronic key and two button remote control. Auto supply system. "E-LUX" can be installed on the Piaggio, Vespa and GILERA scooters using the dedicated cables.

ELECTRONIC KEY

Innovative device to unblock the motorcycle alarm in an emergency. If necessary (loss of remote control) you can immediately restart the system by inserting the electronic key into the socket. Due to the high number of combinations and the anti-scanner code, for a thief it is impossible to elude this device. Easy to install: just make a small hole in the countershield of the vehicle.

E-1

602689M

Basic model of universal alarm with two button remote control. "E-1" can be installed using the dedicated cables.

COVERS

PIAGGIO HAND COVER

605690M

Hands cover for vehicles with handlebar weight, easy and fast fixing system. Made in neoprene and waterproof materials. UVA rays resistant. Internally lined with imitation fur, warm and comfortable and with reflector strips. Piaggio logo.

AWA TECH HAND COVER

605689M

Universal hands cover for all vehicles, made in neoprene and waterproof materials. UVA rays resistant. Internally lined with imitation fur, warm and comfortable and with reflector strips.

VEHICLE COVERS PIAGGIO, VESPA AND GILERA

Customised vehicle covers for Piaggio, Vespa and Gilera scooters, made to measure perfectly to the scooter, also when equipped with its original top box and/or windscreen. All vehicle covers have got two pockets with a zip fastener which can be opened to accommodate the accessories. Waterproof and breathable material. All covers have got a reflector strip and a transparent coverplate. Rubber strip and ring for anti-theft device allow to fix the cover and the scooter together. Ring covered in PVC to avoid scratches on the vehicle.

UNIVERSAL SCOOTER COVERS

The scooter covers are available in three different sizes M-L-XL. Thanks to the softness of the covers they are perfectly adaptable to all scooters.
