CM277513	Top Box Black Red seams	350ST	93/B

TUNNEL BAG

605650M

Made of 100% nylon. Equipped with waterproof zips. Side pockets on both side. Capacity 16 liters. Maximum comfort as it does not interfere with the rider. It can be fastened with a Velcro directly to the tunnel. Practical handle for easy carrying.

WINDSCREEN KIT

672537

Windscreen made of high quality shock-resistant, scratch-resistant 4mm thick methacrylate. Tested and approved by Piaggio.

TRASPARENT FLYSCREEN KIT

674541

Fly screen made of high quality shock-resistant, scratch-resistant 4mm thick methacrylate. Tested and approved by Piaggio.

SMOKED FLYSCREEN

674539

Tinted fly screen made of high quality shock-resistant, scratch-resistant 4mm thick methacrylate. Tested and approved by Piaggio.

INDOOR SCOOTER COVER

605414M

Indoor scooter cover made of shiny polyester triacetate and with fleece inner. The cover is ivory coloured, with Beverly Logo. The cover is equipped with pockets for the accessories (top box, windscreen).

OUTDOOR BIKE COVER

605290M003

Outdoor scooter cover made of black water-proof fabric. Thermo-taped joints, Piaggio logo, reflective inserts, transparent window for the licence plate and PVC coated chain ring. The cover is equipped with pockets for the accessories (top box, windscreen) and with an adjustable elastic band to ensure the right fitting.

LEG COVER

606095M

The Beverly leg cover comes with easy and quick mounting system which will give maximum stability even at high speed. It gives easy access to ignition, storage compartment & manual brake. It provides the ultimate protection in all weather conditions as it is water and wind proof. Passive safety thanks for the reflective stripes. Integrated waterproof seat cover and anty theft system.

SAFETY CABLE

605699M

The top box safety cable has been developed to the MP3 Touring, Sport and Beverly medium size top boxes to prevent the over folding of the top lid of the top box which could damage the hinges.

HANDLEBAR LOCK

605537M014

It locks the handlebar in few seconds. When not in use, it stores away discreetly round the underside of the seat. It is extensible to fasten the scooter to a fix structure.

605537M018

Handlebar lock extension 1m

ELECTRONIC ALARM E-POWER

602687M

E-POWER electronic alarm with electronic key and two buttons remote control. Preinstalled Plug & Play connection, specific cable included.
